WOOD EFFECT

# Inedito

wealth of details,  
leading-edge technology

**Inedito is the first Ragno wood-effect collection produced using the state-of-the-art 3D Ink and Sublime Sync technologies, which ensure perfect matching between the patterning and the 3D structures, different in every single piece, giving the surface volume and tactile realism. This means that the ceramic planks express all the beauty and natural appeal of real wood, with an unprecedented depth and definition.**

## natural shades for attractive interiors

**Avorio, Nocciola, Cannella and Cenere, four natural colors perfect for adding a special beauty to renovated or new interiors, for furnishing in line with the latest trends. Inedito is a versatile collection with natural and structured surface in the rectified 25x150 and 20x120 cm sizes, and in 40x120 cm size and 20 mm thickness specifically for outdoor use. The collection also features the elegant 11x54 cm Chevron size for the most sophisticated interior design schemes. With its variety of installation layouts, the collection bestows warmth and personality on interiors with a contemporary spirit.**
